# GHOST RIDERS IN THE SKY

[Am] An old cowboy went out riding one [C] dark and windy day  
U- [Am] pon a ridge he rested as he went along his way  
When all at once a mighty herd of red eyed cows he saw  
[F] Ploughing through the ragged skies and [Am] up a cloudy draw

[Am] Their brands were still on fire and their [C] hooves were made of steel  
Their [Am] horns were black and shiny and their hot breath he could feel  
A bolt of fear went through him as they thundered through the sky  
For he [F] saw the riders coming hard and he [Am] heard their mournful cry

Yippee-i-[C] oh! Yippee-i- [Am] ay!  
[F] Ghost riders in the [Am] sky

[Am] Their faces gaunt their eyes were blurred  
Their [C] shirts all soaked with sweat  
He's [Am] riding hard to catch that herd but he ain't caught 'em yet  
Cause they've got to ride forever on that range up in the sky  
On [F] horses snorting fire as they [Am] ride on hear their cry

Yippee-i-[C] oh! Yippee-i- [Am] ay!  
[F] Ghost riders in the [Am] sky

[Am] As the riders loped on by him he [C] heard one call his name  
If you [Am] want to save your soul from hell a-riding on our range  
Then cowboy change your ways today or with us you will ride  
[F] Trying to catch the devil's herd a- [Am] cross these endless skies

Yippee-i-[C] oh! Yippee-i- [Am] ay!  
[F] Ghost riders in the [Am] sky  
[F] Ghost riders in the [Am] sky

# LOVE POTION # 9

[Dm] I took my troubles down to [G7] Madame Ruth [Dm]  
You know that gypsy with the [G7] gold-capped tooth  
[F] She's got a pad down at [Dm] 34th and Vine  
[G7] Sellin' little bottles of [A7sus4]  
Love [A7] Potion Number [Dm] Nine [A7]

[Dm] I told her that I was a [G7] flop with chicks  
[Dm] I'd been this way since [G7] 1956  
She [F] looked at my palm and she [Dm] made a magic sign  
She [G7] said "What you need is [A7sus4]  
Love [A7] Potion Number [Dm] Nine" [D7]

[G] She bent down and turned around and gave me a wink  
[Em] She said "I'm gonna make it up right here in the sink"  
[G] It smelled like turpentine and looked like India ink  
[A7] I held my nose, I closed my eyes, I took a drink

[Dm] I didn't know if it was [G7] day or night  
[Dm] I started kissin' every[G7]thing in sight  
But [F] when I kissed the cop down at [Dm] 34th and Vine  
He [G7] broke my little bottle of  
[A7] Love Potion Number [Dm] Nine [D7]

[G] She bent down and turned around and gave me a wink  
[Em] She said "I'm gonna make it up right here in the sink"  
[G] It smelled like turpentine and looked like India ink  
[A7] I held my nose, I closed my eyes, I took a drink

[Dm] I didn't know if it was [G7] day or night

# LULLABY

**Em** // // // // // // **C** // // // // // //

**Em** On candy stripe legs the spiderman comes

**C** Softly through the shadow of the evening  
sun

**Em** Stealing past the windows of the blissfully dead

**C** Looking for the victim shivering in bed

**Em** Searching out fear in the gathering gloom

And **C** suddenly, a movement in the corner of the room

And there is **Em** nothing I can do when I realise with fright

That the **C** spiderman is having me for dinner tonight

**Em** // // // // // // **C** // // // // // //

**Em** Quietly he laughs and shaking his head

Creeps **C** closer now, closer to the foot of the bed

And **Em** softer than shadow and quicker than flies

**C** His arms are all around me and his tongue in my eyes

**Em** Be still, be calm, be quiet now my precious boy

Don't **C** struggle like that or I will only love you more

For it's **Em** much too late to get away or turn on the light

The **C** spiderman is having you for dinner tonight

And I **Am** feel like I'm being eaten

By a **F** thousand million shivering furry **C** holes

And I **Am** know that in the morning

I will **F** wake up in the shivering **C** cold

And the spiderman is always **Em** hungry

# MACK THE KNIFE

[C6][Dm][G7][C6][Am][Dm][G7][C6]

Oh the [C6] shark has ... pretty [Dm] teeth dear  
And he [G7] keeps them, pearly [C6] white  
Just a [Am] jack-knife has old Mac [Dm] Heath dear  
And he [G7] keeps it out of [C6] sight

When the [C6] shark bites with his [Dm] teeth dear  
Scarlet [G7] billows start to [C6] spread  
Fancy [Am] gloves though wears Mac [Dm] Heath dear  
So there's [G7] never a trace of [C6] red

Sunday [C6] morning on the [Dm] sidewalk  
Lies a [G7] body oozing [C6] life  
And someone's [Am] creeping 'round the [Dm] corner  
Could that [G7] someone be Mack The [C6] Knife?

From a [C6] tug boat down on the [Dm] river  
A ce- [G7] ment bag's dropping [C6] down  
The ce- [Am] ment's just for the [Dm] weight dear  
I bet you [G7] Macky's back in [C6] town

Louis [C6] Miller disapp- [Dm] eared dear  
After [G7] drawing all his [C6] cash  
And old [Am] MacHeath spends like a [Dm] sailor  
Did our [G7] boy do something [C6] rash?

Sukey [C6] Tawdry, Jenny [Dm] Diver  
Polly [G7] Peachum and old Lucy [C6] Brown  
Well the [Am] line forms on the [Dm] right girls  
Now that [G7] Macky's back in [C] town!

# MONSTER MASH

I was [G] working in the lab, late one night  
When my [Em] eyes beheld an eerie sight  
For my [C] monster from his slab, began to rise  
And [D7] suddenly to my surprise

He did the [G] mash He did the monster mash  
The monster [Em] mash It was a graveyard smash  
He did the [C] mash It caught on in a flash  
He did the [D7] mash He did the monster mash

From my laboratory in the castle east  
To the master bedroom where the vampires feast  
The ghouls all came from their humble abodes  
To get a jolt from my electrodes

They did the mash They did the monster mash  
The monster mash It was a graveyard smash  
They did the mash It caught on in a flash  
They did the mash They did the monster mash

The [C] zombies were having fun (wahoo, wahoo)  
The [D] party had just begun (wahoo, wahoo)  
The [C] guests included Wolfman [D7] Dracula and his son

The scene was rockin', all were digging the sounds  
Igor on chains, backed by his baying hounds  
The coffin-bangers were about to arrive  
With their vocal group, 'The Crypt-Kicker Five'

They played the mash They played the monster mash  
The monster mash It was a graveyard smash  
They played the mash It caught on in a flash  
They played the mash They played the monster mash

Out from his coffin, Drac's voice did ring  
Seems he was troubled by just one thing  
He opened the lid and shook his fist and said  
"Whatever happened to my Transylvania Twist?"

It's now the mash It's now the monster mash  
The monster mash And it's a graveyard smash  
It's now the mash It's caught on in a flash  
It's now the mash It's now the monster mash

Now everything's cool, Drac's a part of the band  
And my Monster Mash is the hit of the land  
For you, the living, this mash was meant too  
When you get to my door, tell them Boris sent you

Then you can mash Then you can monster mash  
The monster mash And do my graveyard smash  
Then you can mash You'll catch on in a flash  
Then you can mash Then you can monster mash

**(Spoken, over chords: Am /// F /// D /// G ///)**

Darkness falls across the land, the midnight hour is close at hand  
Creatures crawl in search of blood, to terrorize your neighbourhood  
And whosoever shall be found, without the soul for getting down  
Must stand and face the hounds of hell, and rot inside a corpse's shell

The foulest stench is in the air, the funk of forty thousand years  
And grizzly ghouls from every tomb, are closing in to seal your doom  
And though you fight to stay alive, your body starts to shiver  
For no mere mortal can resist, the evil of the thriller

**(Demonic laughter)**
